

Journey of Giving - HHRD MENA 2016 - Video

Orphan Support Program

Home Visits to Orphans Families

The Orphans Support Program of HHRD made home visits to the sponsored orphans. The purpose of visit is to check on their living status and make acquaintance between them and the supervisors and if any special assistance is needed.

School Visits

Within the "Character Building" support provided to our sponsored orphans, the Orphans Support Program of "Helping Hand" made schools visits to our sponsored orphans to check on their learning process and provide support lessons in case needed.

Orphans' Weekly Classes

The Orphan Support Program continued doing the weekly classes with the orphans in all governorates.

Dialogue Sessions

Dialogue meetings were made with our sponsored orphans (Syrians and Palestinians) about issues they raised like earning living, Halal money. Each orphan expressed his ambition (what he wanted to become in future).

Educational Support Lessons

In order to support the educational level of the sponsored orphans, several educational support lessons were made to the orphans on basic subjects like Arabic language, English Language, Math.

Field Visits

In order to exchange of experiences between the OSP team supervisors and field workers and get to know more about the status of the sponsored orphans, The OSP team visited Al-Mafraq city which included more than 450 sponsored orphans from Syrian refugees.

Honoring Ceremony to Top GPA Students

In order to motivate the sponsored orphans in HHRD to increase their academic level, a honoring ceremony was made to top students who got excellent educational grades. 10 males and 10 females were honored from all levels.

Winter Club - MENA 2017

After finishing the winter club activities which covered all clusters and all orphans and mothers, the orphans Support Program team made an evaluation meeting for the implemented event and activities.

Orphanage Building

HHRD Jordan team distributed the monthly financial assistance among Syrian refugee orphans families living in rented building. All these families living in the building benefit from facilities, maintenance, medicine. Regular follow up is being made to the orphans on the educational and ethical level.
